

Bulbuls & Guides (Junior & Senior)

The Bulbuls and Guides of the MHS Company are affiliated to the *Bharat Scouts and Guides* programme which is part of the international Guides movement. The graded programme is based on the four pillars of Health, Service, Handicrafts and Character and the members work through the various levels to reach the highest level of achievement, *the Rashtriya Puraskar* which is awarded by the President of India.

Connect

Social service is not just a passion but a calling for many. The Connect Club of MHS gives its members the opportunity to understand the needs of the less privileged, Members work with NGOs like CHIP & Ektara to become socially aware and sensitive citizens.

Footloose (Separate sessions for Juniors & Seniors)

Dance has always been more than just movement. It is about expression of self and is always in a state of dynamic evolution. As new styles and dance forms originate, the Footloose Club teaches its members about contemporary dance and encourages them to explore their passion through workshops, fitness routines and choreography sessions.

ACE (CSR Initiative: Sahyog)

ACE stands for Accounts, Commerce, Economics. ACE is the Business and Finance club of MHS. It's not just about number crunching and profit making. ACE is a pathway for the students to explore new entrepreneurship ideas, new problem solving techniques, and different outreach strategies. It also incorporates *Sahyog*, the CSR component of ACE which runs on the principles of a cooperative.

Cyberbuzz (Separate sessions for Beginners & Intermediate)

Aditya Goenka of *Codes Classes* will be helming the Cyberbuzz club this year with his exciting sessions planned for all those interested in upping their IT skills. Classes are segregated according to the skill and knowledge of the student and not age. Widgets, Apps, Python...experts will help members to make the most of the virtual world.

Focus

Photography enthusiasts of MHS are given every opportunity by the Focus club to showcase their captures. From covering all school events, to making photo journals, to participating in competitions and exhibiting their pictures, Focus club helps the students to couple their enthusiasm with the understanding of technique and the need for originality.

Quiztion

In the present era, quizzing has gone beyond just knowing facts and figures. It now involves lateral thinking, innovative mental exercises, incorporation of all the senses and above all fine-tuning reactions to questions. The Quiztion club of MHS trains its quizzers to represent the school at interschool contests and more importantly to enjoy the entire experience of quizzing.

Skylab

The sky is the limit...or is it? The one thing Skylab, our vibrant astronomy club emphasizes to its young members that the sky truly has no limit. The wonders of the universe and its celestial bodies are examined and a new vista opens up beyond the telescope lens for every Skylab member.

VOICE (Separate sessions for Juniors and Seniors)

Just as its name suggests, this club is about channelizing the power of the voice. It is a public speaking club. The members learn to understand the impact of the spoken word, whether it is the voice modulations required for elocution, the strategizing required for "MUNning" or the simple thrust and parry of debating. They learn the nuances of public speaking, the importance of forming unbiased opinions and above all the power of mediation and consensus.

Images

The Book and Film club of MHS provides a platform to voracious readers and film buffs to discover, discuss and enjoy the finer nuances of books and cinema. The students also develop the ability to critique creative effort and are exposed to both world literature and world cinema.

IAYP (International Award for Young People)

Originally known as the Duke of Edinburgh Foundation, IAYP is an international award programme for holistic development. The four components of this programme are community service, skill development, physical activity and adventure. Members of the IAYP unit embark on a journey of self-discovery through the Bronze, Silver & Gold awards.

Clean

The fragile environment of our planet is a matter of concern and the members of *Clean* not only work for the greening of the environment but also attend numerous workshops, competitions and other activities that have environmental concerns as their main focus. From growing their own vegetables, to learning to reduce plastic waste, to learning about bio degradation and recycling, the Clean busy bees are a buzzing lot in the MHS community.

Legacy

The Legacy club of MHS works on the principle that it is the knowledge of our heritage, culture and traditions that make us well- rounded world citizens. Experiential learning trips, lecture-demonstrations, exhibitions, workshops and a proactive approach to acquainting our students with often forgotten artisanship form the basis of the Legacy club programme.

Spice (Separate sessions for Juniors and Seniors)

Cooking is no longer about the bubbling of the pot. It is about research, innovation, visual and olfactory presentation and ideation. The members of SPICE club explore their interest in the art of cuisine that covers the spectrum from fine dining to TV dinners to brunches made from leftovers and street food spanning different cultures and regions across the globe.

Deutschind

Our German programme flourishes and goes beyond the academic requirements with our very enthusiastic *Deutschind* students, who not only read, write and think in the language but also learn to play, quiz, debate and WhatsApp in it!

Mayukh

The Bengali club *Mayukh* strives to engender a feeling of ownership of the language, not just for those students who are born to the language but to those who are interested in Bengali. Film discussion and viewing, play reading, debate, recitation and even a lecture demonstration on the *roshogolla* formed part of the club activity list.

Deepshikha

The Hindi club of MHS, explores the rich traditions and content of Hindi Literature. The members of *Deepshikha* are encouraged to script and enact their own plays, take part in inter school competitions, write journals, conceptualize school programmes and make Hindi an integral part of the varied fabric of school life.

Mathemagic

The Mathematics club of MHS (Classes IV-VI) is meant to make Mathematics fun for our young ones. *Mathemagic* introduces Mathematics as a part of our daily lives - present in so many fascinating ways in our environment. Hitherto unexplored facets of the subject are explored by our little math enthusiasts and club sessions are always buzzing with enthusiasm and excitement.

Scribes

Creative writing is not just a part of the academic curriculum; it is also a life skill. At the *Scribes* club, students are encouraged to express, explore and try their hand at different writing genres. The written word graduates from being a tool to becoming a pathway of self- discovery through exuberant discussions, workshops and writing activities.

QED

The science club of MHS, QED attempts to teach its students to recognize, emulate and innovate the science that is there in our daily environment. Experiments, charts, exciting solutions and out-of-the-box ideas- there is no barrier to the inquisitive minds of the QED members. No suggestion is too small, no problem is too large.

AAA

The vibrant art community within MHS is one that is a fount of activity and creativity. The All About Art club encourages students to look at things differently, to explore their creative potential and make their craft work, objects to treasure. Bookends, scarves, masks, quilling, puppet -the list is endless- are created by our AAA members. They also help with props and accessories, background displays and hoardings for school programmes.
