## **Competition to celebrate the 10th Anniversary of PASCH**

### **PASCH- Partner schools for the Future**

#### **Winner: Modern High School for Girls**

To celebrate the 10th anniversary of PASCH Program in 2018 the German Consulate General Kolkata announced a competition among PASCH schools in Kolkata to teach German language and culture in an interactive and innovative way! Each PASCH-school had to develop a concept to teach German language and culture to students of a school that does not offer German as a Foreign language. The most important rule of the competition is BOTH TEACHERS AND STUDENTS MUST HAVE FUN!

PASCH stands for the "Schools: Partners for the Future". The aim of PASCH is to create and strengthen a global network of partner schools with special links to Germany. At present it is a global network of some 1,800 schools.

Being the winner, the Modern High School for Girls has received 1,96,943 INR as the Prize money.

Birla High School (Boys) and the Heritage School Kolkata have received respectively 78,777 INR and 39,389 INR for securing the second and the third positions.

The schools can spend their prize money for acquiring learning material, books, teaching materials, organizing (German) cultural events, etc.

From the next week the Modern High School for Girls will start implementing its concept to teach German language and culture to students of South City International School, a school that does not offer German as a Foreign language.
