

THE ANNUAL SPORTS DAY 2022

At Modern High School for Girls, one of the most awaited events of the year is the Annual Sports Day. There is a remarkable intersection of competition and cooperation, as all 8 houses race to raise the champion's trophy. Although the virtual mode could have restricted us, we at MHS organized Sports Day'22 with unwavering spirit.

The first event of the day, the Athletic Relay, required participants to coordinate and work together, albeit in a different way than usual. Each participant had to complete a series of exercises before signalling their teammate to start. The 32 participants of the event displayed exceptional grit and determination to successfully finish.

The next event was an Obstacle Race, in a form suited to the virtual mode. Each house was represented by a single participant who had to flip a bottle, jump over laid newspaper in a zigzag pattern, create an 8 with a basketball, and finish with 40 skips. Each of the eight participants completed these tasks as fast as possible.

Integrating AI and athletics, the 8 participants played 'Lightning Quickness' on the Homecourt AI App. With agility, as they swerved away from the zaps on their phone screens, they earned points and kept their houses in the hunt for the coveted championship.

After an exhausting yet invigorating day, it was finally time for the much awaited results of Sports' Day 2022! Mrs. Farida Singh, our Guest of Honour, reminded us that when we fall, it is important to fall forward and get back up with determination. Footloose's beautiful performance was followed by the results, where Hibiscus was the Runner-Up House, and the perfect green of Magnolia was declared the Champion House!

Another year of Virtual Sports, but the enthusiasm and spirit could not have been greater!
