

Attendance Policy

Regular and punctual school attendance is **mandatory**.

Specific requirements are given below:

a. Scholastic

Students at Modern High School for Girls are required to have minimum 85% attendance for each academic year. Students whose attendance is below the required percentage

- will receive a comment in their progress report which will highlight their frequent absences from school.
- will not be eligible for any prize or certificate related to academic performance.
- will no longer be considered eligible to apply for positions in student governance.
- Letter of Recommendation will include a comment on irregular attendance.
- CISCE requires minimum 75% attendance. Promotion may be denied in spite of adequate academic performance if this criteria is not met.

b. Co-curricular Activities

- Attendance for clubs and special classes is 65% per term. Failure to be regular will lead to removal from the club roster. Mention of this will be made in the year-end report card.
- Representation of School/House at intra and inter school events is subject to regular attendance. Inadequate attendance will affect the student's eligibility for participation in such events.
